HONORING THE LIFE AND LEGACY OF DR. OLIVIA LEOLA TORRES CRUZ

HON. MICHAEL F.Q. SAN NICOLAS

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2022

Mr. SAN NICOLAS. Madam Speaker, I rise today to honor the life and legacy of Dr. Olivia Leola Torres Cruz. Dr. Cruz was an esteemed leader, selfless advocate, and dedicated servant to the People of Guam. Our people will fondly remember her as a trailblazing force that meaningfully contributed to shaping our island's healthcare sector and improving the lives of countless others throughout our island.

Widely recognized for her historic achievement as Guam's first female CHamoru physician, Dr. Cruz navigated a path unpaved with unwavering courage and determination. As a young girl that had endured World War II, her education was interrupted. Yet upon its conclusion she remained steadfast in her resolve to excel in school, consistently passing bi-annual examinations to elevate her grade level. After graduating from George Washington High School as one of its Top Ten scholars in 1953, Dr. Cruz moved thousands of miles away from home to pursue an undergraduate career at the University of Wisconsin. She then continued with graduate level research and courses in chemistry at the University of Cincinnati and, in 1962, graduated from the Women's Medical College of Pennsylvania. Shortly after medical school, Dr. Cruz went on to complete an internship at the Denver General Hospital in addition to residencies for internal and pulmonary medicine at the Denver General Hospital, Herman Houston Hospital, and Allegheny General Hospital respectively.

Though Dr. Cruz pursued her professional education in the continental United States, she kept her people at the forefront of her mind and proudly held her identity as a daughter of Guam close to her heart. In 1967 she returned home impassioned with a mission to increase our community's access to medical care. From serving at the Guam Department of Public Health and Guam Memorial Hospital (GMH) to collaborating with the National Institute of Health Research Station as a consultant on lytico-bodig research, a neurodegenerative disease endemic to the CHamoru people, Dr. Cruz devoted her expertise, talents, and decades of work toward standing up a system of care that holistically addresses the needs of our island. This commitment to community is further demonstrated in her persistence to serve as many people as possible by opening her very own private practice clinic, wherein she often provided care to those who could least afford it, and continuing to work part time at GMH despite having retired from government service in 1998.

Beyond her professional capacities, Dr. Cruz embodied a strong sense of character, unquestioningly prioritizing others before self—

a notable example of which was illustrated by her heroic actions to save three individuals who had been involved in an incident in which a twenty-ton compactor toppled over a two-hundred-foot cliff. Without hesitation, Dr. Cruz climbed twenty-five feet down the face of the cliff to render first aid to the injured operator and had them hoisted up to the surface first. Her personal undertaking to lead with compassion is both evident over the course of her lifetime and serves an inspiring blueprint for the many women today who similarly endeavor to pursue a career in medicine.

Dr. Olivia Leola Torres Cruz is an icon of servant leadership and unconditional compassion who poured her heart into securing a better health future for our people. As Women's History Month and Mes CHamoru come to a close, it is further fitting that we reflect on the meaningful contributions of leaders like Dr. Cruz, whose life and legacy have and continue to impact the story of our island community. We extend our deepest condolences to her husband, Dr. Robert Haddock, their children, Michele and Ray, their grandchildren, Robert, Olivia, Francisco, Carlos, Gregorio, Stephen, and Jose, and the rest of their family and friends, and join the People of Guam in remembering and celebrating her life and legacy of selfless service. Dr. Cruz will be deeply missed, and her love and memories will forever remain in the hearts of the People of Guam.

REMEMBERING BRENT RENAUD

HON. J. FRENCH HILL

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2022

Mr. HILL. Madam Speaker, I rise today to recognize award-winning journalist Brent Renaud, who was killed in Ukraine at the hands of Russian soldiers.

Brent was a Little Rock native who traveled around the world to share the stories and lift the voices of individuals who otherwise may not have been heard.

At the time of his tragic death, Brent was in Ukraine, covering the current refugee crisis that has developed because of Russia's unwarranted and illegal invasion of the sovereign nation of Ukraine.

Brent made a difference in the Arkansas arts community as co-founder of the Little Rock Film Festival and serving as a mentor within the community.

My prayers are with Brent, his family, his friends, and all that were blessed to know him.

HONORING THE LIFE OF EDGAR WINFIELD BARCLIFF, JR.

HON. DONALD M. PAYNE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2022

Mr. PAYNE. Madam Speaker, I rise today to pay tribute to Edgar Winfield Barcliff, Jr. after his passing on March 16, 2022. Edgar was a beloved husband and family man as well as a proud son of Newark, NJ.

Born in Newark in 1944, Edgar knew that helping his community and those most in need

would be his life's work. He started off as a young cadet in the 1960s before he passed the examination to become an Essex County Correction Officer in 1970. He would serve a long and accomplished career at the Essex County Jail in Newark. In 1986, he became the first Correction Officer in Essex County to receive the Officer of the Year Award. Later, Edgar was the first Correction Officer from the State of New Jersey to be recognized as one of the top five Correction Officers in the country.

Edgar continued his exemplary record of service when he completed a training course for investigators at the Criminal Justice Academy's New Jersey Division. After that, he was appointed as an Investigator at the Internal Affairs Bureau. In 1996, Edgar was promoted to Sergeant and became a Supervisor in the Internal Affairs Division of the same jail where he began his career. He was active in Newark's West Ward Civic Organization and received numerous awards and commendations from federal, state, county, and municipal agencies for his contributions.

After more than 31 years of service, Edgar retired in 2002. But he continued his service with several local and national law enforcement organizations. He was a member of the Board of Trustees for the New Jersey Chapter of the National Organization of Black Law Enforcement Executives (NOBLE) and the National Director and Vice Chairman of the Correctional Peace Officers Foundation (CPOF). He was committed to supporting officers and their families as they navigated through the very demanding law enforcement profession. Edgar's law enforcement and volunteer work were both personal and professional for him. He was a fierce protector of his family, neighbors, and friends and a true advocate for safer, more just neighborhoods and community service. His legacy will live on through the people he touched—from the officers he mentored to the people in Newark and surrounding communities that he served to the family he loved.

Madam Speaker, I ask the House of Representatives to join me in celebrating his life of public service and extend my deepest condolences to his spouse, children, grandchildren, great-grandchild, cousins, nieces and nephews, and friends.

RECOGNIZING THE JOE CAMPOS TORRES PLAZA DEDICATION

HON. SYLVIA R. GARCIA

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2022

Ms. GARCIA of Texas. Madam Speaker, I rise today to recognize the plaza dedication in honor of Jose "Joe" Campos Torres taking place Saturday, April 2, 2022.

On May 5, 1977, Army veteran Joe Campos Torres died of injuries inflicted by several on-duty officers of the Houston Police Department (HPD). Following a cruel, racially-motivated beating that evening, the police officers took him to the city jail where the jail staff refused to process Joe due to his grave visible injuries. Officers were instructed to transport him to the hospital for medical care. Outrageously, the officers instead pushed Joe off a wharf into the Buffalo Bayou. Tragically, he did not survive.
